

ABOUT US

AppleTree Educational Center is a non-profit, faith-based, nationally accredited organization committed to providing quality care for Sierra County families.

By providing comprehensive services which are reflective of the needs of the community we serve, AppleTree provides young children with new opportunities to succeed. AppleTree is dedicated to serving children and families as **Sierra County's only full-time, year-round, high-quality early childhood program.**

“Meeting the needs of the whole child.”

QUALITY CARE

EDUCATIONAL

Our classrooms are friendly, comfortable, and educationally challenging. The teaching methods and techniques used are based on a proper understanding of child development, from which age-appropriate experiences and activities are planned. Our teachers enjoy young children, treat them with respect, and speak to them in a positive manner.

Our center-based, hands-on curriculum includes: block play, circle time, reading, art, sand & water play, outdoor play, music & movement, manipulatives, pretend play, family-style meals, school assemblies, field trips, hands-on nutrition, guest speakers, pet care, and nature & science activities.

LOCAL

PURPOSE

Our purpose is to offer a warm, accepting, positive atmosphere in which the whole child can grow - emotionally, socially, creatively, intellectually, and physically.

GOAL

Our goal is to provide support for families from our own community and surrounding county. An attitude of love and concern will permeate all we say and do, so that positive attributes can become an integrated part of daily life.

AFFORDABLE

PROGRAMMING

AppleTree is a year-round educational site with infant and child care, New Mexico PreK, afterschool programming, and summer care.

TUITION

AppleTree actively seeks outside funding to help subsidize the full cost of quality care. Tuition assistance is available for Sierra County residents and all meals and snacks are included.
